We can provide offsite Training at our well established training facility that can accommodate 15+ students at any time.

It is not always possible to send your staff off-site for training, therefore we provide facilitators to travel (anywhere in South Africa) and provide onsite training at your premises. We only require a suitable indoor facility with ample space and seating for students to complete the written assessment and equipment to finalize the practical aspects of the course.

FIREFIGHTERS

OATH

"MY DUTY IS PROTECT THOSE THAT I SERVE FROM WHATEVER DANGER THEY MAY FACE; WHETHER IT BE FIRE, DEMON, OR ANGEL; NO MATTER THE DANGER, I WILL PROTECT THE PEOPLE TO THE BEST OF MY ABILITY.

I AM BUT A SERVITOR OF THE PEOPLE; MY DUTY IS TO THOSE WHO I SERVE, AND TO NO ONE ELSE. I SERVE THE PEOPLE, WITHOUT FEAR, WITHOUT REMORSE, WITHOUT FAIL. MY DUTY IS TO THE PEOPLE.

BY MY FIREMAN'S OATH,
I AM BOUND TO PROTECT THOSE WHO ARE IN DANGER, THOSE IN TIMES OF NEED, THOSE WHO I WOULD SERVE"

A FIREMAN'S PRAYER

When I am called to duty, God,
Whenever flames may rage;
Give me some strength to save some life,
Whatever be its age.
Help me embrace a little child
Before it is too late
Or save an older person
From the horror of that fate.
Enable me to be alert
And hear the weakest shout,
And quickly and efficiently
To put the fire out.
I want to fill my calling
And to give the best in me
To guard my every neighbor
And protect his property.
And if, according to my fate,
I am to lose my life,
Please bless with your protecting
My children and my wife.
